<sup>1</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>2</sup>Available feature. <sup>3</sup>Use feature only when safe and legal. Compatible device and service required. Subject to third party service availability. For more information see [NissanUSA.com/connect/legal](https://www.nissanusa.com/connect/legal). <sup>4</sup>Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. <sup>5</sup>Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. <sup>6</sup>Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. <sup>7</sup>Nissan Safety Shield technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. <sup>8</sup>Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>9</sup>Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>10</sup>Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. <sup>11</sup>Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. <sup>12</sup>Lane Departure Warning operates only when lane markings are able to be detected.
